When you eat a meal at the Chai Lai Orchid, you help uplift vulnerable community members. Buy a student a meal for 60thb. Chai Lai Cafe matches donations up to 15,000 THB each month!
Our NGO also donates rice, salt & cooking oil to IDPs fleeing conflict in Myanmar. Chai Lai is a job training project. Here, indigenous women are paid fair wages and provided food and housing to learn English and hospitality industry skills. The program expands the limits of job opportunities from a rural village to the kingdom of Thailand.
